La Petite Ferme

FRANSCHHOEK VALLEY

Congratulations on your engagement

Since opening its doors in 1984 La Petite Ferme has cemented its reputation as one of the most sought-after destinations in the Cape Winelands.

Perched high on the Franschhoek Pass, in the shadow of the Middagkrans mountains and offers remarkable views of the valley below, La Petite Ferme is today a refined country escape that has seen the ebb and flow of food trends, retained loyal guests through the decades, and attracted a new generation of gourmands with its authentic country cuisine and warm hospitality. Today La Petite Ferme boasts a boutique hotel, acclaimed country restaurant and celebrated winery.

The boutique hotel at La Petite Ferme is certainly an excellent example of country elegance and hospitality and offers nine unique rooms, each with panoramic views of the Franschhoek valley and surrounding winelands.

Our boutique hotel is perfect to accommodate your nearest and dearest during your celebrations or special event. At La Petite Ferme each guest is offered the perfect combination of private, country-style luxury accommodation and heart-warming hospitality. La Petite Ferme offers four Manor House Suite and five renovated Vineyard Suites each with spectacular views and comfort.

We are open for functions Mondays – Sundays.
